BIGGIE

THE STRUGGLE

Oh no! #2 Heating Oil dripped down the walls...

THE FIX

Biggie to the rescue!! We simply sprayed Biggie on the #2 Heating Oil, and wiped it off with our Wicked Wipes. You can see that it did not affect the paint.

BIGGIE

THE STRUGGLE

Oh no! Someone left a trail of ink from an industrial printer on the hand rail...

THE FIX

Biggie to the rescue! We sprayed Biggie on the ink and it just melted it away and did not damage the paint.

BIGGIE

THE STRUGGLE

Oh no! Our friends in the Biomed department have to remove permanent bar code labels that aren't supposed to ever come off...

THE FIX

Biggie to the rescue! We sprayed Biggie directly on the adhesive and let it sit for 30 seconds. Then we used our Super Scraper to lift the label off without scratching paint.
