## BLAST OUT

### THE STRUGGLE

Oh no! This urinal is pipe had years of buildup in the pipe. So much so, that nothing could pass through it. The smell was also very uninviting

### THE FIX

**Blast Out** to the rescue! We inserted the cartridge into the waterholes which required no tools and let it work its magic. With every flush the product treated the urinal pipe. Blast Out eliminated the buildup and prevented any new buildup from forming and deodorized while it was working.
