TECHNICAL DATA SHEET

NAME: BUZZ OFF

PART NUMBER(S): CC423

PRODUCT DESCRIPTION:

BUZZ OFF is a concentrated bacterial gel that eliminates drain flies, destroys malodors, and digests organic waste such as grease, fats, oils, and more. Our proprietary formula includes a unique Bacillus bacteria strain known for its ability to break down organic materials, produce enzymes, and survive in tough environments.

Features and Benefits:

- Gel formula lasts longer than water
- Clings to areas
- Eliminates drain flies and fruit flies
- Digests grease, fats, oils.
- Destroys odors

Use in:

- Drains & dry floor drains
- Grease traps
- Sewer Lines
- Trash Cans

Directions:

Drains: If drain is not regularly used, moisten drain by pouring 1-2 gallons of warm water into drain. Add 8 ounces to each drain and grease trap in area. Apply around the edges of the drain, ensuring the sides are coated. Repeat dosage daily as necessary, usually for 5 - 7 days.

Maintenance: Apply 4 - 8 ounces per drain or trap every week.

Non-Drain Areas (sinks, drain grates, floors, etc.) Remove any loose debris from area. Once cleaned, spray area liberally until completely wet. Repeat application daily as necessary until organic material has been removed, usually for 3-7 days.
