COMPANY OVERVIEW

Green Chem Laboratories is a Certified Woman-Owned Small Business pioneering innovative, eco-friendly commercial cleaning and industrial maintenance products. Our industry-leading solutions cater to diverse needs, prioritizing user-friendliness, effectiveness, and environmental sustainability.

CORE CAPABILITIES

- Manufactures eco-friendly commercial cleaners and industrial maintenance products.
- Over 300 products with a deep inventory.
- Next-day shipping for all in-stock products.
- All chemicals are proudly made in USA.
- WOSB and GSA Contract Holder.

PAST PERFORMANCE

- Over 5M in sales to State and Federal Government.
- Established for 6 years.
- Provided sanitizers and disinfectants to the Federal Government during the COVID-19 pandemic, filling critical gaps in supply when other companies faced shortages.
- Clients include VA Medical Centers, DOD, AOC, SSA, SI, PA Liquor Control Board, SCI Prisons, etc.
- Established deep and enduring relationships with these agencies, demonstrating commitment and dependability in times of need.

DIFFERENTIATORS

- We save you money: products are eco-friendly, multi-use, and concentrated.
- Tailored for Government Needs: Product line designed for Federal Government end users, ensuring compliance and effectiveness.
- Customizable Solutions: We provide custom blends to address unique client requirements effectively.
- Trusted Government Partner: Over 6 years as a preferred contractor, our reliability is proven.
