

## TECHNICAL DATA SHEET

**NAME:** POWER WRAP

**PART NUMBER(S):** HO801

### PRODUCT DESCRIPTION:

**Power Wrap** is a strong, permanent and economical repair that can mend virtually any kind of pipe and hose. Power Wrap can be applied on wet and dirty surfaces and even under water. It's an ideal alternative to traditional methods such as cementing, soldering, welding and replacement. Once Power Wrap cures it can be left as is or will have to be cut out. Heat resistant to 425° F.

### Features and Benefits:

- Water activated fiberglass wrap
- Heat resistant to 425° F
- 100 PSI
- Conforms to a standard water main pressure test
- Impervious to water, oils, chemicals, solvents and acids.
