TECHNICAL DATA SHEET

NAME: SLIME OUT GEL TABS

PART NUMBER(S): NA001, NA002

PRODUCT DESCRIPTION:

Slime Out Gel Tabs are a non-toxic, long-lasting treatment for keeping condensate drain pans and lines free of accumulation. Each tablet gels when wet, clinging to the side or bottom of the pan, locking it in place so it won't clog the drain.

Features & Benefits:

- Non-toxic
- Non-corrosive
- Easy to use, completely soluble
- Slow release formula; one unit can last an entire cooling season
- Prevents drain pan overflows and musty foul odors in air conditioning systems

Uses:

- Drain pans
- Air conditioning systems

Directions:

Place Slime Out Gel Tab in the condensate pan and position so that the condensing moisture drips on or runs over the tablet. The dissolving action forms a gel and locks the Slime Out Gel Tab into place, slowly releasing treatment for extended cleaning action.

Quantities:

Small: 48 UNITS/CASE = UP TO 10 TON UNIT (NA001)

Large: 24 UNITS/CASE = 10 TO 20 TON UNIT (NA002)
