

TECHNICAL DATA SHEET

NAME: STINK SUCKER ODOR ABSORBENT SPONGE

PART NUMBER(S): DE80-1, DE80-4

PRODUCT DESCRIPTION:

Stink Sucker Odor Absorbent Sponge absorbs odors and moisture (in the air) like a magnet. Malodors include but are not limited to: smoke, paint and chemical fumes, bathroom and sewage plant odors, dead animal fumes and more. Stink Sucker Odor Absorbent Sponges can be used after floods, fires, fumigation, etc to eliminate odors.

1lb Stink Suckers cover 400 sq ft. and last 45 days

4lb Stink Suckers cover 2400 sq ft of space and last 4-6 months

Features and Benefits:

- Eliminates odors such as mold and mildew, sewer gas, smoke abatement, tobacco smoke, burnt popcorn odors, bathroom odors, paint fumes, dead rodent fumes, hospital odors, trash, and more
- Lasts 45 days and has no smell

Use on:

- Closets
- Rooms
- Footwear
- Trash cans
- Sewer chaises
- Old refrigerators
- Walk-in refrigerators
- In supply air plenum
- In front of coils
- Inside supply air ducting, etc.

Directions:

Remove lid and place in affected area. For maximum effectiveness, eject ODOR EATER SPONGE onto lid, removing container. For better efficiency, place product in air stream moving toward problem area. Product coverage is approximately 16 oz per 400 sq. ft. area. Trace fragrance will fade as the product neutralizes odors.

Safety Warning:

Keep container away from open flames. Product may melt at temperatures above 125 degrees but will continue to work when it turns back into a solid. Harmful or fatal if swallowed. Avoid contact with eyes and skin. Do not take internally. If swallowed, do not induce vomiting. Get medical attention. If allergic reaction occurs (headache, difficulty breathing, sneezing or skin irritation), get fresh air immediately. Do not return to the area until it has been thoroughly ventilated. Contact your physician if symptoms do not stop

Quantities:

24 UNITS/CASE - 1LB (DE80-1)

8 UNITS/CASE - 4LB (DE80-4)
