

## TECHNICAL DATA SHEET

**NAME:** STRAP LIGHT

**PART NUMBER(S):** N399

**PRODUCT DESCRIPTION:**

**Strap light** is a compact, foldable light that fits easily in a glovebox yet provides up to 1000 lumens of bright illumination. Its flexible COB LED design offers three adaptable modes: an underhood light using padded hooks, an emergency light with magnets, or a wearable sash with a strap and buckle. Choose from high, medium, and low white light modes, plus red task, hazard, and directional lights for roadside safety. Built with durable, water-resistant construction, it includes an integrated power bank and two 120° rotation points to direct light precisely where you need it.

**Features and Benefits:**

- USB - C Rechargeable
- LED 1000 lumen, 38 yard beam distance
- 6 light modes (high, medium, low, red, red hazard, red signal)
- Magnetic base
- Power-bank
- Water Resistant
- Hands Free
- 120° Rotation Points

**Uses:**

- Maintenance & repair
- Outdoor activities
- Emergency lighting
- Workshop lightning

**Quantities:**  
12 UNITS/CASE
