

TECHNICAL DATA SHEET

NAME: TOAD GRIP GLOVES

PART NUMBER(S): SH001

PRODUCT DESCRIPTION:

Toad Grip Gloves are waterproof gloves embedded with PVC chips. They prevent binding and friction burns while using snakes. Gloves are lined with jersey material that provides comfort and flexibility.

Features and Benefits:

- **Seamless Cable Management:** The PVC chip-coated outer layer enables smooth cable movement while providing a secure grip to reduce binding and friction burns.
 - **Improved Flexibility:** The soft jersey liner offers a balance of comfort and agility, ensuring precise control during drain cleaning.
 - **Robust Build:** The durable yellow canvas exterior withstands tough job conditions, keeping hands dry and well-protected.
 - **Minimized Cable Pinching:** An ergonomic design with chip integration reduces fatigue, helping you work efficiently for extended periods.
- Enhanced Visibility: The bright yellow color improves hand visibility, even in low-light environments.
- **Versatile Use:** Suitable for a range of plumbing tasks beyond drain cleaning, including pipe handling and equipment operation.
