

TECHNICAL DATA SHEET

NAME: VANQUISH

PART NUMBER(S): AL221-4, AL221-5, AL221-30, AL221-55

PRODUCT DESCRIPTION:

Vanquish is a concentrated versatile cleaner and broad-spectrum disinfectant that has multiple uses on a wide variety of surfaces. It will clean, disinfect and deodorize virtually any hard, non-porous surface. It is also authorized by the USDA for use in meat and poultry plants and other food-processing facilities. It cleans without abrasives, and deodorizes by killing the microorganisms that cause offensive odors.

Features and Benefits:

- A broad-spectrum disinfectant, sanitizer, virucide and mildewstat
- Active in hard water up to 400 ppm hardness
- Effectively inhibits the growth of mold and mildew and the odors caused by them
